## CONTROVERSIAL TOPICS: BECOME AN... EXHIBITIONIST! EXHIBIT YOUR ART!

## NEW GALLERY SPACE AVAILABLE IN LONDON'S SOUTH BANK!

We are still searching for Polish artists who need a great public exhibition space. We offer a launch party and will help sell the work, but charge zero commission! If you or someone you know would be interested in exhibiting with us, contact [marketing@mamuska.net](mailto:marketing@mamuska.net).

## LUNCHTIME QUICKIE

# THREESOME

### PIEROGI, SPECTACULARLY QUICK

Back in the dark ages you would have had to wait up to 10 minutes for pierogi. But at lunch time we understand your need for speed.

Agonise no longer. Our Threesome will get you off... to work... in plenty of time.

Weekdays from 12:00 until 14:00 we will always have pork, ruskie and one other 'mystery' pierogi flavour cooked and waiting to be served, to help speed up our lunch-time service. So the next time you only have a few minutes for lunch, remember, "Wham, bam, thank you Ma'am!" Our hot dumplings will be ready for you to eat here with us or take back to your desk, so you can make everyone jealous!

## MUNCH AND LEARN!

**Europe's Heaviest Animals Live in Poland**  
The 380,000-acre Białowieża Primeval Forest in Poland is Europe's last ancient forest and home to 800 European bison. Try Żubrówka Bison Grass to taste what they munch on! - page 7 & 8

Poles drink, on average, 92 liters of beer a year, which places Poland third in consumption in Europe behind Germany and the Czech Republic.

WITH A POLISH TWIST

served with salad island trip

### Kielbasa on a bun | £ 9.50

NOT a hot dog! Find out for yourself what a dishonor to our dish it would be to call it by that name! Comes with chips.

### Kielbasa & mash | £ 9.50

There is nothing more reminiscent than a grilled kielbasa sausage. Keep that in mind when you are making friends on The Platform!

### 8 oz Beef Burger | £ 13.50

We mince and season the beef ourselves, and the sauce is our own fantastic creation. The polish factor? The gherkin.

### Breaded chicken burger | £ 12.80

A perfect autumn-time treat, served with chips. Goes great with a bottle of Sauvignon Blanc.

### Fish & Chips | £ 14.00

If you want it battered, head down the road. We do it breaded, the Polish way! Served with chips. Duh.
