Food a Polish Mother would be proud to serve.

TROPICAL RUMBULL WINTER WHO?

## Mother of all Polish Food Lovers in London Thankful for Surviving Crazy Year

Brexit. A weak pound. A mass exodus of Polish chefs and servers back to the homeland. And a general market downturn. So ok, maybe 2019 was not the best year to launch a **6000 foot, 240 seat restaurant** off a lesser-travelled corner of South Bank (to put it mildly). But a full year later, and... we made it!

**We survived**, despite BT and BT OpenReach denying us faster broadband, leaving us unable to offer customer Wi-Fi. We thrived, despite unannounced leaks from the Waterloo train platforms above.

**We partied hard on The Platform**, and thanks to you, finished the bar and eventually installed a sound system worthy of your dance moves.

So now we are leaping with faith into 2020 looking forward to our EPOS computer provider **FINALLY installing our kiosk software**, so that you can **order faster and avoid the queues**. We are charging ahead, **planning a road trip** to hunt down the Polish factory signs and other memorabilia that everyone KNOWS should be adorning our walls!

And we will finally **install the steel plates and chalk pens on the tables** to make it easier for us to find you when your food is ready!

Yes, 2019 represented a struggle, **but we did it**. And by "we", we mean **YOU and Mama**. We did it together, so we are using our front page to thank you for your patience and your custom.

But we are a greedy bunch, so as we thank you one minute, the next minute we are asking you for more!

Don't panic. It won't cost you, but **we do want your advice**. What else can we do to make the UK's most famous ambassador of Polish food and drink even better? Email us now at [feedback@mamuska.net](mailto:feedback@mamuska.net) and let us know what we are doing right, and what we can do even better.

And, if you are feeling the love for Mama and don't know how to express yourself, **send out the word via review sites and social media**, and tell the masses **how to find us**. God knows that we built this place big enough to share, so **let's spread the word about pierogi and Polish pints, together!**

**Thank you**, from all of us on the Mamuśka! team.

We know we could not have done this without you.

**Dziękuję bardzo! Na zdrowie! and Smacznego!**

## KEY

**Y** Item includes this allergen

**P** An ingredient supplier has warned of possible cross-contamination

**A** Ask on the day, as we sometimes add this ingredient to the item

## ALLERGIES?

If you have a **SEVERE** allergy to some produce, please **ALWAYS** consult staff before ordering

Please note that we have an open, non-segregated kitchen and while every reasonable precaution is taken, we cannot guarantee that items have not been cross-contaminated in production or service. (For example, air-borne flour particles from pierogi dumpling production may find their way into a gluten free product).

## CONTROVERSIAL TOPICS: BECOME AN... EXHIBITIONIST! EXHIBIT YOUR ART!

## NEW GALLERY SPACE AVAILABLE IN LONDON'S SOUTH BANK!

We are still searching for Polish artists who need a great public exhibition space. We offer a launch party and will help sell the work, and will charge zero commission. If you or someone you know would be interested in exhibiting with us, contact [marketing@mamuska.net](mailto:marketing@mamuska.net).

## LUNCHTIME QUICKIE

# THREESOME

## FED FULL SPECTACULARLY QUICK

Back in the dark ages you would have had to wait up to 10 minutes for pierogi. But at lunch time we understand your need for speed.

No longer. Our Threesome will get you off... to work... in plenty of time.

Weekdays from 12:00 until 14:00 we will always have pork, ruskie and one other 'mystery' pierogi flavour cooked and waiting to be served, to help speed up our lunch-time service. So the next time you only have a few minutes for lunch, remember, "Wham, bam, thank you Ma'am!" Our hot dumplings will be ready for you to eat here with us or take back to your desk, so you can make everyone jealous!

## MUNCH AND LEARN!

Come on bro, won't you drink with me!?

Stary, ze mną się nie napijesz!?

We sometimes add dairy to the potatoes, but often do not, so simply ask on the day.

## CHOOSE YOUR SIDE

Our carbohydrate accompaniments are swappable. This isn't football mate, so feel free to change sides!
